## SOFT DRINKS OR BYOB

Makars prides itself in working with local artisan producers. Bon Accord drinks were founded in Arbroath in 1903, their iconic glass bottles were seen across Scotland for generations. Back after 15 years, their soft drinks are 100% naturally sweetened with honey, coconut nectar & fruit juices. The drinks are a really great alternative to alcoholic drinks that we have specifically paired with our dishes.

Rhubarb Soda (330ml) £2.50

Reminiscent of rhubarb and custard sweets or rhubarb rock, but once again with no added refined sugar and just 94 calories per bottle. Instead we've added honey and coconut nectar which give a lovely depth of sweetness, not simply a sugar spike!

Cloudy Lemonade (330ml) £2.50

Tart and thirst quenching and bursting with real citrus flavour. Bon Accord Cloudy Lemonade contains no refined sugar or artificial sweeteners. It is flavoured with only natural ingredients. It typically contains a third less calories (88 calories per bottle) than many other lemonades.

Ginger Beer (330ml) £2.50

A classic ginger beer with a heat that builds, but doesn't overwhelm. Contains no refined sugar or artificial sweeteners and is flavoured with only natural ingredients.

Cream Soda (330ml) £2.50

Made with vanilla, fruit juice, honey and coconut nectar, this naturally sweet soft drink certainly has a Bon Accord smile in every bottle. Once again, Bon Accord brings you a modern, natural version of a classic.

Craft Cola (330ml) £2.50

If you grew up with Bon Accord, you most likely would have had the Bona-Cola. If you didn't grow up with Bona-Cola, you're in for a treat! This Cola is different, natural and delicious.

Still or Sparkling Water £1.5

TEAS / FILTER COFFEE £1.5
